Reproductive Justice NB  
 PO Box 761, Station A  
 Fredericton, NB  
 E3B 5B4

Dear committee members:

I would like to lend the voice of CUPE NB in support of the Reproductive Justice NB's call for the repeal of Regulation 84-20 of the Medical Services Payment Act publicly.

CUPE NB stands in support of the creation of publicly funded, publicly delivered reproductive health services, as well as publicly funded contraception and abortion services.

CUPE NB and our 30,000 members feel strongly that all health care services should be publicly delivered, funded and equally accessible to all.

Yours in solidarity,

DANIEL LÉGÈRE  
 CUPE NB President
